

MOM HUSTLE TEES

The Stay-at-Home Mom's Guide to
Starting a T-Shirt Business From Home

Turn Your Creativity Into Cash From Home

Welcome, Mama!

Hey Queen,

If you're reading this, you're already one step closer to building something amazing. This ebook was made for YOU — the mom who's juggling nap times, school pickups, and big dreams.

You don't need a business degree. You don't need thousands of dollars. You just need the right plan, a little creativity, and the drive to make it happen.

I'm going to walk you through EVERYTHING — from choosing your niche to making your first sale to going viral on TikTok.

This isn't just another ebook. This is your blueprint to financial freedom while being present for your babies.

☀️ MOM BOSS TIP

You don't have to quit being a great mom to be a great entrepreneur. This business works AROUND your life, not against it.

"She believed she could, so she did."

Why a T-Shirt Business is Perfect for Moms

Flexible Schedule

Work during nap time, after bedtime, or whenever YOU want.
No boss. No clock.

Low Startup Cost

Start with as little as \$200-\$500. No inventory needed with print-on-demand!

Work From Home

Your kitchen table is your office. No commute, no daycare costs.

Creative Freedom

Design what YOU love. Express yourself through art and fashion.

Real Income Potential

\$500-\$5,000+/month is realistic once you find your groove.

⚡ QUICK WIN

Search TikTok for #ShirtBusiness and see real moms making \$1K+ weekly!

Choosing Your Niche

Your niche is your superpower. Pick something you're passionate about and watch the sales roll in!

⚡ BUY FIRST: Heat press + blank tees + HTV vinyl = your first sale!

How to Make Your First Shirt

- 1 Create your design in Canva (use bold fonts + trendy colors)
- 2 Upload design to Cricut Design Space
- 3 Mirror your image & cut HTV vinyl
- 4 Weed the excess vinyl carefully
- 5 Position design on shirt with heat tape
- 6 Press at 305°F for 12-15 seconds (HTV)
- 7 Peel carrier sheet (hot or cold peel per vinyl type)
- 8 Do a final quality check
- 9 Package beautifully & ship!

TEMPERATURE CHEAT SHEET

HTV Vinyl: 305°F | 12-15 sec | Medium pressure

Sublimation: 385°F | 55-60 sec | Heavy pressure

DTF Transfer: 325°F | 15 sec | Medium pressure

Infusible Ink: 385°F | 40 sec | No pressure

BEGINNER MISTAKES TO AVOID

Forgetting to mirror • Wrong temperature • Not weeding fully • Cheap blanks

"You are one heat press away from changing your family's life."

YOU GOT THIS, MAMA!

You now have EVERYTHING you need to start your T-shirt business from home.

No more excuses. No more waiting for the 'perfect time.'

The perfect time is NOW.

Your kids are watching. Show them what a boss mama looks like.

"The woman who follows the crowd will usually go no further than the crowd.
The woman who walks alone is likely to find herself in places
no one has ever been."

Now go press some shirts & secure the bag! 💎💎
